

Outdoor Ted - Going Indoors

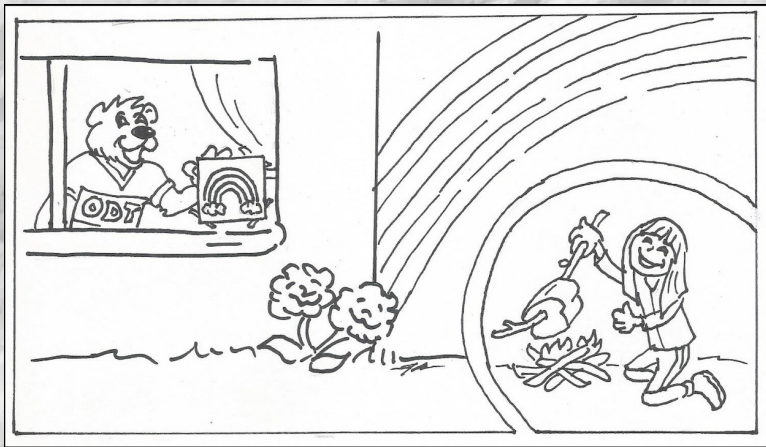

POEM AND COLOURING ACTIVITY

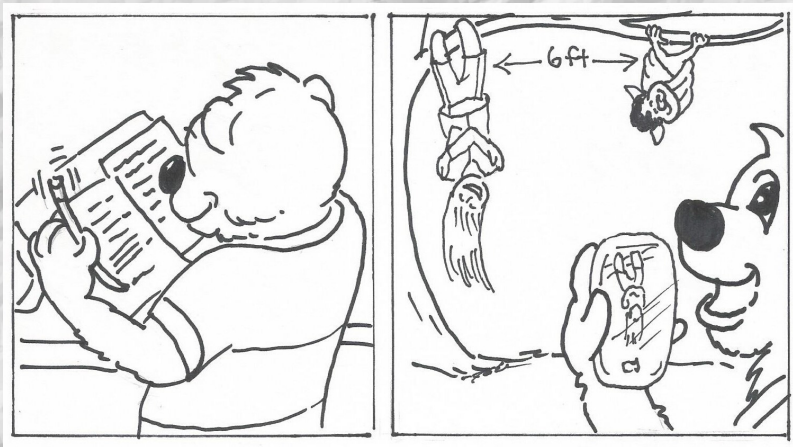

**Outdoor Ted is going indoors.
But we'll still be around like superheroes.**

**This virus means we have to stay home for now
But not for long and we'll be back like "Oh wow!"**

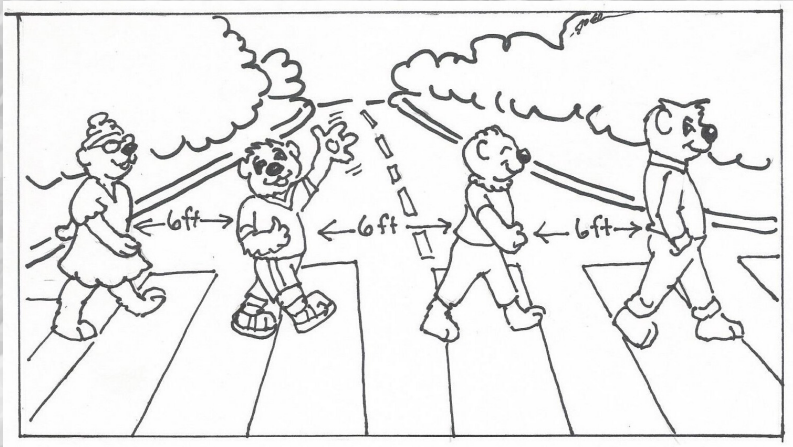

**Be on the lookout for Rainbows and Teds
Or build a campfire and make some bread.**

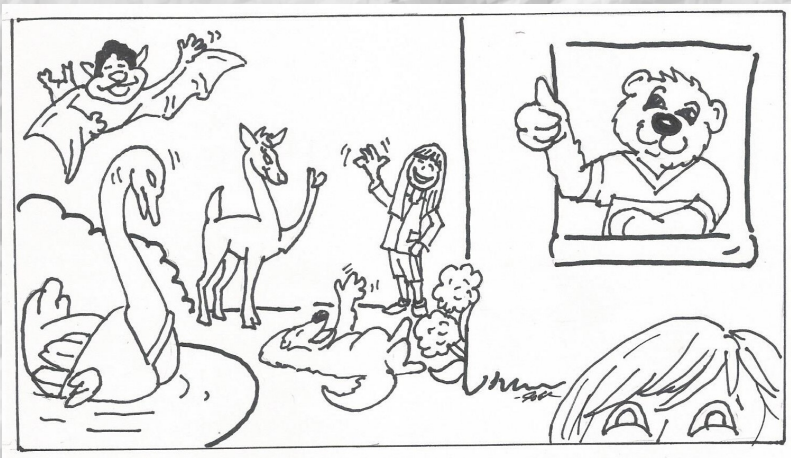

**Write your own little story about what you'd love to do.
Or make a funny video for your friends to see you.**

**Don't forget, wash your hands as much as you can
Then you won't get a telling off from your Gran**

**So for now stay inside for most of the day
And during walks keep 6 feet away**

**We'll see you soon so please stay safe
love from the ODT Gangand Stace**
